

Do you
believe in
**FAIR
PAY**
for all?

UNISON believes a person should be paid enough to live decently and provide adequately for their family.

All workers, including Local Government workers, deserve to be paid at least the Living Wage Foundation rate of £8.45 per hour and we are calling on all local authorities to become Living Wage Foundation accredited employers.

Use your vote in these Local Government elections, 4 May, to support the Living Wage.

How can you support the Living Wage campaign?

- 1. Register to vote:** www.gov.uk/register-to-vote
The deadline for voter registration is 13 April 2017
- 2. Ask your candidate:** How will you work to ensure the Local Government workforce in your authority is paid the real living wage?
- 3. Use your vote this May 4** to support our Living Wage for Local Government workers
